Announcing the new STUDEBAKER

Special Six Coach

Here is a low priced closed car that will appeal to those who do not want the ordinary type of coach. Studebaker builds this coach complete-body as well as chassis-thus saving the profit which other automobile manufacturers have to pay to outside body builders. As a result, the price is much lower than that of any other car of equal style, performance and dependability. Come in - let us show you this New Studebaker Coach.

> Abundance of room for five passengers. Unusually wide doors. Broad seats. Plenty of leg room. No need for occupant of folding seat to get out when others enter or leave. Body finished in Wyandotte green, with satin-black top. Engine of remarkable power, smoothness and acceleration. Safety lighting control. Full-size balloon tires.

Our church building is about o don a new spring frock and a beautiful one it is too. The ceiling is going to be of a rich cream and the walls buff while the outside will be pure white. Not only this but it is going to have a set of ceiling fans. We hope the pews will be filled with gospel "fans", such as are alluded to when baseball is discussed. The word "fan", in connection with this national game is the short for "fanatic" and means in general that one is very much interested in the game. We play a greater and game of life in our sabbath worship than any south-paw ever conceived and the more

amiliar we are with the "Book of Rules"-the Bible the more inxious we are to see and hear and participate in this great game of life. Make it a rule f your life to be in your place when the game is called, and help the man at the "bat"—the reacher, with your cheers and your encouragement not to trike out but to make a "home un", and to win a favorable ecision from the Great umpire who watches every game and he grand stand.
